

**Practice: I practice and develop my skills.**

**Creating a skills list:** What skills do I need to master in order succeed in this subject?

## **Subject: Politics**

Number	Skills List
1	Re-read notes from lessons
2	Add to any missing notes
3	Make revision resources from notes taken in lesson. This could be cue cards
4	Re-answer (part or all) of questions using teacher feedback peer/self-assessment or model answers
5	Answer questions in the topics studied
6	Access website: <a href="http://www.tutor2u.net/politics">www.tutor2u.net/politics</a> for further resources to work on, read and use for revision
7	Read the news and keep up to date on political issues
