## **Higher Education Evening**

Dear Parents/Guardians,

I am pleased to invite you and your son/daughter to our Higher Education Evening on **Thursday 23<sup>rd</sup> April**, held in the Ratcliffe Hall on our Upper Site. This annual event is aimed at parents and guardians of Year 12 students and is a key part of the support we offer as students begin planning their next steps.

The purpose of the evening is to:

- Provide an overview of the UCAS (Universities and Colleges Admissions Service) application process
- Explain the support programme we offer and how we manage applications as a school
- Share key information on student finance, including loans and tuition fees

This event is particularly helpful for families navigating the process for the first time, and we strongly encourage all parents/guardians to attend. The evening is designed to be both informative and supportive and previous attendees have found it extremely valuable in understanding the journey ahead.

**To help us manage numbers, we kindly ask that only one parent or guardian attends per student, where possible. However, if you would like to come as a family you are also more than welcome.**

Please confirm your attendance by completing the online form as soon as possible, as places are limited. The evening's schedule is attached.

If your child is considering an application to Oxford or Cambridge and would benefit from attending a bespoke introductory session on Oxbridge applications before the main evening begins, please contact Ms Rickard at [srickard@tchs.org.uk](mailto:srickard@tchs.org.uk) for further details.

We look forward to welcoming you on the evening.

Yours Sincerely,

**Mr Daniel Baker**  
Director of Sixth Form
