Dear Parents and Students,

Summer 2026 Examination Results Collection

Results day is one of the proudest moments in our school year. It marks the end of months of hard work, late revision sessions, and real determination from our students. We can't wait to celebrate with them.

GCE (A-Level) and GCSE Exam Results will be available for collection by candidates on the following dates:

Examination	Date	Collection Time
GCE / A-Level	Thursday 13th August 2026	8am until 12noon
GCSE	Thursday 20th August 2026	8am until 12noon

Results can be collected by candidates from the Carla House Foyer. Access to the site for candidates will be via the Student Gate on Mornington Road.

Parents, you are very welcome to join us on the day. While results themselves can only be collected by the candidate (see note below), we'd love for you to come onto site with your son or daughter to share in the moment. Senior staff will be on hand throughout the morning to congratulate students, answer any questions, and talk through next steps, whether that's sixth form, college, apprenticeships, or university applications. Many of our happiest memories of the school year come from watching families celebrate together in the foyer on results morning, and we hope you'll be part of that again this year.

Please note: results cannot be given to parents or other third parties without written authorisation from the candidate.

As shared in the student exam handbook and at the exam assemblies, if a candidate cannot collect their results in person, they can provide a signed note, letter, or an email from their school email address authorising a named third party (for example, a family member or friend) to collect on their behalf. This should be sent to the school (exams@tchs.org.uk, for the attention of the Examinations Manager) before the relevant results day. The nominated person will need to bring valid ID when collecting the results.

Results cannot be given over the phone or by email.

If a candidate is unable to collect in person and no third party has been nominated, results will be posted to their home address after results day, provided a stamped addressed envelope has been supplied in advance.

Enquiries About Results (EARs)

If you have concerns about a result and wish to query it, you can request an Enquiry About Results (EARs) through the relevant awarding body. Information about this service for the Summer 2026 series will be given to candidates with their Statement of Results on results day and will also be available on the Examinations page of the school website from that date.
