

TRINITY

Dear Students, Parents, Carers & Governors

One of the highlights of this week was welcoming Bishop Alan Williams, Bishop of Brentwood, to Trinity as we brought our 50th anniversary year to a close.

It was a privilege to celebrate a Mass of Thanksgiving, giving thanks for all that Trinity has achieved over the last 50 years.

Throughout that time, the school has served our local parishes, worked closely with our partner primary schools and educated thousands of young people who have gone on to make a positive contribution to society.

For the first time, we held this celebration at the Lower Site, allowing our Year 7, Year 8 and Year 9 students to celebrate alongside governors, clergy, former members of staff and other guests who have all played an important part in the history of Trinity.

In his homily, Bishop Alan reminded us that Catholic education is about much more than academic success. He spoke about the importance of living out our school values of Truth, Compassion, Hope and Service every day.

Hearing our Bishop reinforce these values was a powerful reminder of why Catholic education remains so important and of the responsibility we have to form young people who will shape a better world.

Following the Mass, Bishop Alan officially opened our new Lower Site Reception. This investment creates a warm and welcoming entrance for visitors while strengthening our pastoral care and safeguarding provision.

As one chapter of Trinity's history comes to an end, another begins. We are proud of our past and excited about what lies ahead.

God Bless
Declan Linnane
Headteacher

Game On - Annual Sports Day 2026

TRINITY SPORTS DAY 2026

TEAMWORK. EFFORT. EXCELLENCE. TOGETHER WE ACHIEVE!

Trinity Sports Days have been a tremendous success, despite some challenging weather conditions. Our students showed great resilience throughout, staying hydrated and performing exceptionally well in the heat.

The afternoon began with the relay events, where 20 students from each form competed in the Boys' and Girls' A and B relays, as well as a mixed relay.

We then moved on to our mixed End Zone and Rounders tournaments, ensuring that every student had the opportunity to represent their form and contribute to the day's success.

Congratulations to all students who took part. A special mention must go to our Year 7 and Year 8 students, who made a fantastic effort by arriving fully prepared in their teams PE kit colours and demonstrating excellent enthusiasm and commitment throughout the day.

OVERALL INTERFORM CHAMPIONS FOR 2026!
AND THE FINAL WINNERS OF OUR CURRENT FORM GROUPS:

FABT AND MECP:

- ★ YEAR 7 - BECKET
- ★ YEAR 8 - MOORE
- ★ YEAR 9 - PAYNE
- ★ YEAR 10 - PAYNE

Well done to everyone who participated and helped make the event such a memorable celebration of teamwork, effort and sporting achievement.

★ **THE PE DEPARTMENT** ★

Trinity Enrichment Day:

Friday 3rd July saw our first ever whole school Trinity Enrichment Day which gave students the chance to broaden their experiences, build teamwork, communication and leadership skills and most importantly have fun along the way!

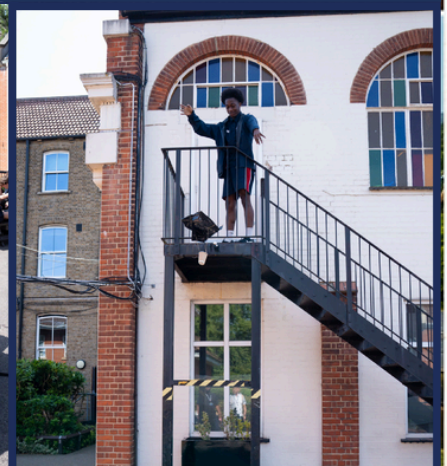

Year 7 explored African drumming and Indonesian Gamelan, created stained-glass window art, tackled subject-based Escape Rooms, created mathematical origami and sampled a new language. Year 8 tried sports outside the usual curriculum, dived into STEM activities and even had a go at stage combat, alongside a new language experience.

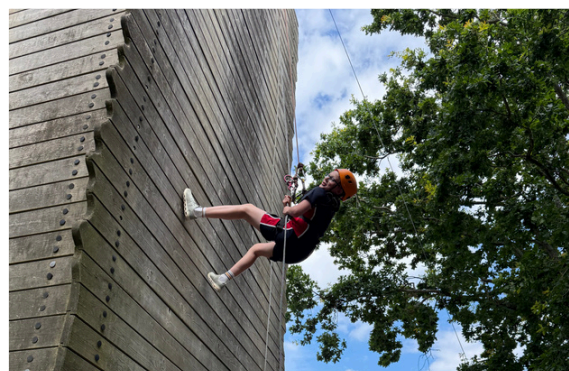

Year 9 took on Ju-Jitsu, Camogie and Hurling, cooking challenges, technology projects, LAMDA workshops, Escape Rooms and quizzes, plus new languages.

Year 10 sharpened their teamwork, communication and problem-solving skills through collaborative DT, Science and Business tasks, along with a PSHE workshop covering many important topics.

Some students opted into special whole-day art projects including: a group installation project which will be added to the school's art displays, a ceramic tiles workshop inspired by William Morris, a manga and comics workshop covering character creation, storyboarding, drawing and lettering. Others learned about and applied special effects make-up or joined the IT and Social Media team to help document the day's events.

The day was a fantastic opportunity for students to discover new talents, step outside their comfort zones and for both staff and students to enjoy a truly memorable day.

YEAR 7 PGL TRIP

PGL WINDMILL HILL, SUSSEX

Our Year 7 students recently enjoyed an unforgettable residential trip to PGL Windmill Hill in Sussex. A total of 138 students, accompanied by 10 members of staff, took part in an exciting programme of adventurous activities, including fencing, archery, raft building, problem-solving challenges, wall climbing and the thrilling giant swing.

Evenings were spent toasting marshmallows around the campfire, playing games and making memories with friends.

The trip was a tremendous success, with students demonstrating resilience, teamwork and determination as they challenged themselves to achieve things they never thought possible. It was wonderful to see so many students grow in confidence, support one another and form friendships that will last a lifetime.

We are incredibly proud of their enthusiasm, courage and positive attitude throughout the visit.

Grace Shines at East of England Combined Events Championships

Congratulations to Grace in Year 8 on her fantastic third-place finish at the East of England Combined Events Athletics Championships.

Grace has enjoyed an exceptional athletics season, consistently demonstrating talent, determination, and hard work. Alongside her regional success, she has broken two school records this year in the 800 metres and the long jump an outstanding achievement that reflects her dedication and commitment to the sport.

We are incredibly proud of everything Grace has accomplished this season and look forward to following her continued success in the future. Well done, Grace!

Work Experience - Year 10 and 12

A reminder that the work experience fee

is £44, payable via ParentMail. This fee does not apply to students who are eligible for Pupil Premium funding. If you have not yet made payment, please do so as soon as possible.

Thank you to all parents/carers who have already paid.

If you have any questions, please contact Mrs Alexander at salexander@tchs.org.uk.

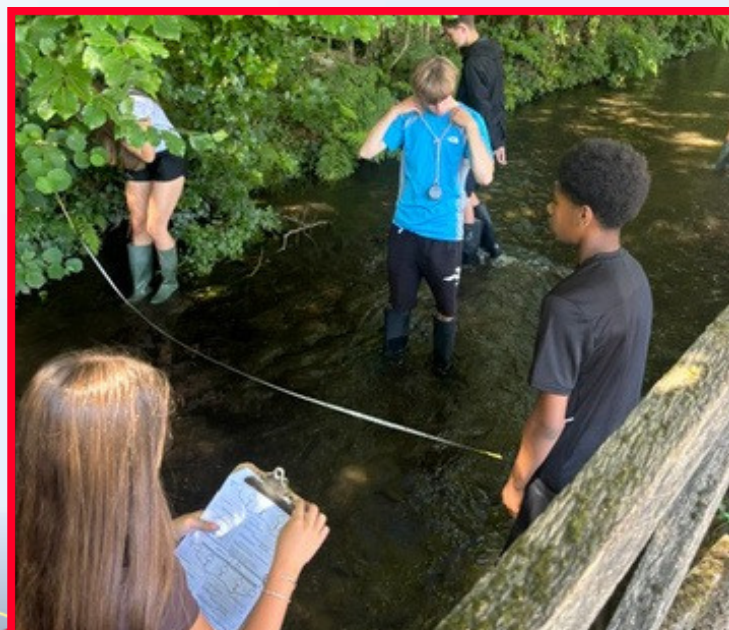

Geography Field Trip

Our annual Year 10 Geography Field trip took place in glorious sunshine and warm weather this year. 70 Year 10 students along with Mr Henricksen, Ms Houlihan, Ms Fawcett, Mr Ledgister, and Mrs Cox began the trip with a lovely, if slightly challenging, walk up Box Hill which offered beautiful views of the surrounding Surrey countryside.

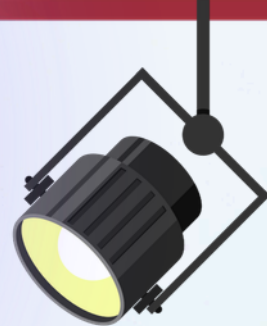

Students undertook fieldwork on the river Tillingbourne and investigated urban sprawl by comparing the village of Brockham to the town of Ashted. Students participated enthusiastically and enjoyed the experience of conducting geography field work.

In lessons, students were engaged and focused and were able to show off their excellent skills and knowledge. This was a very successful trip and no doubt the year 10s will fondly remember this valuable learning experience.

SIXTH FORM SPOTLIGHT

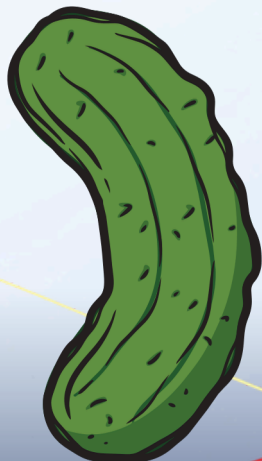

Race Across London 2026

Our first and annual Race Across London proved to be one of the highlights of the Sixth Form calendar. On a glorious summer's day, students took to the streets of the capital in teams, navigating their way across London while completing a series of challenges designed to test their teamwork, leadership, communication and resilience.

Beginning at Exchange Square, Liverpool Street, teams travelled through four challenge zones across the city.

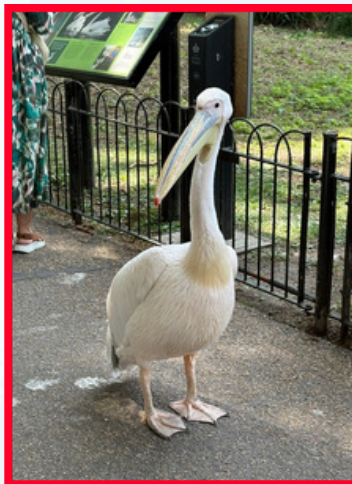

They explored iconic locations including The Gherkin, Leadenhall Market, the Monument to the Great Fire of London, Tower Bridge, Borough Market, Shakespeare's Globe, Tate Modern, the London Eye, Big Ben, the Houses of Parliament, Downing Street, St James's Park, Buckingham Palace and Westminster Cathedral, solving clues, answering questions and completing creative tasks at each checkpoint.

The warmweather certainly added to the challenge, but spirits remained high throughout the day.

There was plenty of laughter, friendly competition and outstanding teamwork as students encouraged one another, made strategic decisions and embraced every aspect of the adventure.

It was wonderful to see our Sixth Form students representing Trinity so positively while enjoying everything that London has to offer.

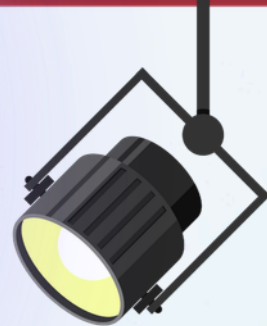

Race Across London is about far more than reaching the finish line. It develops independence, confidence, problem-solving skills and collaboration, while creating lasting memories with friends before the end of the academic year.

Congratulations to every team for making this year's Race Across London such a memorable success

SIXTH FORM SPOTLIGHT

Exploring University Open Days

We actively encourage all of our Sixth Form students to attend university open days throughout the year.

Visiting a university is one of the best ways to get a real feel for campus life, explore accommodation, meet current students and lecturers and find out more about different courses before making important decisions about higher education.

Recently, Aisling spent the day visiting the University of Oxford as she continues to explore opportunities as a prospective Oxford applicant. Experiences like these help students make informed choices and strengthen applications by demonstrating genuine interest and commitment.

Students are encouraged to speak to the Sixth Form team if they wish to attend an open day during term time. We are always happy to support these valuable opportunities, which play an important part in helping students make confident decisions about their future.

A proud moment for Mr Burke!

Mr Burke receives his trophy from the current World Blind Golf Champion after winning the B1 Category at Oakdale Golf Club, Harrogate.

An outstanding performance throughout the tournament also saw him finish 8th overall—a fantastic achievement against a highly competitive field. Congratulations, Mr Burke, on this incredible success!

Launching **THE SHARP SYSTEM**

At Trinity Catholic High School, the safety and wellbeing of our students is always our top priority. We are proud to launch the SHARP system (School Help Advice Reporting Page) A confidential online platform that empowers students to report concerns and seek support quickly and securely.

The SHARP system allows students to raise issues such as bullying, online safety, hate crime, weapons, health and wellbeing, or any other worries they may have either about themselves or someone else. Reports can be made anonymously, ensuring every student has a voice and a safe way to be heard.

The platform is easy to access via any device at:

trinitychs.thesharpsystem.com

HOW TO USE SHARP

1. Visit trinitychs.thesharpsystem.com
2. Click Make Report to share your concern.
3. Explore the dedicated help pages on topics such as bullying, health, hate crime, and community safety.
4. If you prefer to speak to someone directly, you can always approach a member of staff or contact Mrs McGrory, Head of Pastoral.

A Message from the Headteacher

“At Trinity Catholic High School, our Mission is to ensure that every student feels safe, valued, and supported and has a voice. The SHARP system provides an additional, confidential way for students to share any concerns, knowing that they will be listened to and taken seriously.

We want all members of our community to understand that safeguarding and wellbeing are at the heart of everything we do. By speaking up, students are helping us to build a culture of trust, care, and respect. No student should ever feel alone. Together, we can make Trinity a safe and supportive place for everyone.”

Why SHARP Matters

1. Gives students a safe and confidential space to raise concerns
2. Helps staff respond quickly and effectively to issues
3. Builds a culture of care, respect, and inclusion across our community

We encourage all students and parents to familiarise themselves with the SHARP system and to use it whenever needed. Together, we can ensure that Trinity remains a place where every student can flourish in safety and confidence.
