

TRINITY

Dear Students, Parents, Carers & Governors

A Year of Change and Progress

It has certainly been a year of significant change at Trinity Catholic High School.

Since September, our focus has been clear. We want to provide the very best education and opportunities for every student entrusted to our care.

We have worked hard to strengthen our Catholic identity, raise expectations, improve standards and secure the future of the school.

Our new Mission statement now sits at the heart of everything we do:

“Empowered by faith and compassion, we strive for excellence, celebrate individuality and inspire voices to shape a better world.”

Catholic Life has continued to grow. We have introduced Catholic Social Teaching, launched our new House Saints and developed a new House System. Prayer and worship have become more visible, and we have strengthened our relationships with local parishes and the Diocese.

We have also enjoyed many wonderful events.

These have included the Ceremony of Light, Remembrance Day, the Christmas Lights Switch-On, our Advent Service, Christmas celebrations, the Rock and Pop Concert, Rock of Ages and our 50th Anniversary celebrations.

These occasions have brought our community together and demonstrated the talent, faith and generosity of our students.

TRINITY

CATHOLIC HIGH SCHOOL

OUR MISSION

Empowered by
Faith and *Compassion*,
We strive for *Excellence*,
Celebrate *Individuality*
and *Inspire Voices*
To shape a *Better World*.

THIS IS OUR

TCHS

TRUTH
COMPASSION
HOPE
SERVICE

TCHS.ORG.UK
TRINITY CATHOLIC HIGH SCHOOL WOODFORD GREEN, ESSEX.
LOWER SITE: SYDNEY ROAD, IG8 0TB | UPPER SITE: MORNINGTON ROAD, IG8 0TP

Our values of Truth, Compassion, Hope and Service now guide our decisions, behaviour, curriculum, leadership and relationships.

Expectations have risen across the school. We have seen improvements in behaviour, uniform, classroom routines and the general presentation of the school.

Staff are more visible, systems are clearer and there is a stronger sense of purpose across Trinity.

Safeguarding has remained our highest priority. From September, students in Years 7 to 11 will no longer move between sites during the school day.

Our new six-period timetable will improve safety, punctuality and learning time. It will also give students a greater sense of belonging to their year group and school site.

We have secured more than £550,000 to improve our specialist classrooms. Food Technology, Design Technology, Art, Textiles, Science and Music will all benefit from major refurbishment.

This represents an important investment in teaching and learning and will provide our students with facilities which reflect our ambitions for them.

Student leadership has also been strengthened. Students now have responsibility for areas including student voice, wellbeing, curriculum, equality and diversity, sustainability, charity, chaplaincy, sport, creative arts and oracy.

We want our students to have a real voice and to become confident Catholic leaders of the future.

Communication with parents has improved through our weekly Spirit of Trinity newsletters, parent information evenings and consultation events.

Friends of Trinity has also been relaunched and is already supporting fundraising, volunteering and community events.

The reputation of Trinity continues to improve.

We have refreshed our branding, increased our community outreach and strengthened our links with primary schools.

Our Year 7 intake for September is full, with 240 students joining us and further families seeking places through the appeals process.

There is still plenty of work to do, but we should be proud of what has been achieved this year.

Trinity now has a clear direction, stronger systems, renewed Catholic purpose and growing confidence from families and the wider community.

As we celebrate our fiftieth anniversary, we look back with gratitude and forward with confidence.

Thank you to our students, staff, parents, parishes and wider community for your support throughout this important year.

It is now time for everyone to enjoy a well-deserved rest.

I wish you and your families a peaceful, safe and enjoyable summer.

God Bless

Declan Linnane
Headteacher

A Huge THANK YOU!

FOR MAKING OUR SUMMER FAIR SUCH A SUCCESS!

From the sunshine and fantastic entertainment to the delicious food, games, and smiling faces, the event truly showcased the wonderful spirit of our Trinity community.

A SPECIAL THANK YOU TO FRIENDS OF TRINITY

This event simply would not have been possible without their dedication, enthusiasm, and countless hours of hard work.

From planning and organising to coordinating volunteers, stalls, activities and more – thank you for creating such a welcoming and enjoyable experience for everyone.

Your commitment to our school community is truly inspiring!

THANK YOU TO OUR SPONSORS

A huge thank you to all of our sponsors whose support helped make the Summer Fair possible.

Their contribution ensures that we can provide an exciting day for our families and visitors.

Thank you!

THANK YOU TO OUR AMAZING FOOD VENDORS

A special thank you to Thai & Pan Asian Street Food for serving up delicious dishes that were a huge hit!

We'd also like to thank all of our other food vendors and stall holders for the wonderful variety of refreshments, sweet treats, snacks and drinks.

You kept everyone well-fed and smiling!

THANK YOU TO EVERYONE WHO RAN A STALL!

From popcorn and candy floss to games, raffles, crafts, inflatables, refreshments, and community stalls – thank you to every volunteer and organisation who gave up their time to make the fair so enjoyable.

CAPLEN
estates

Thank You!

♥ A COMMUNITY EVENT TO REMEMBER ♥

The photographs from the day perfectly capture the vibrant atmosphere, bustling stalls, families enjoying the sunshine, children making memories, and the fantastic community spirit that makes Trinity such a special place.

OUR GENEROUS SPONSORS

Finally, thank you to everyone who came along and supported the event. Whether you volunteered, donated prizes, sponsored the fair, ran a stall, performed, or simply came along with family and friends to enjoy the day – you all played an important part in making the event such a tremendous success.

Your support helps strengthen our school community, and we are already looking forward to doing it all again next year!

THANK YOU FOR MAKING THE TRINITY SUMMER FAIR 2025 A DAY TO REMEMBER!

Celebrating Summer-Rose's International Cheerleading Success

Congratulations to Summer-Rose, who recently travelled to America with her cheerleading team to compete against teams from around the world.

Representing England, her team delivered an outstanding performance and were crowned World Champions, taking home 1st place after an exceptional season in which they also won five competitions.

For Summer-Rose, this achievement is about much more than winning medals. As a young person with Special Educational Needs (SEN), she has shown incredible resilience, determination and confidence, overcoming challenges and proving what can be achieved through hard work, perseverance and self-belief.

Cheerleading has helped her build lasting friendships, grow in confidence and develop skills that extend far beyond the sport itself.

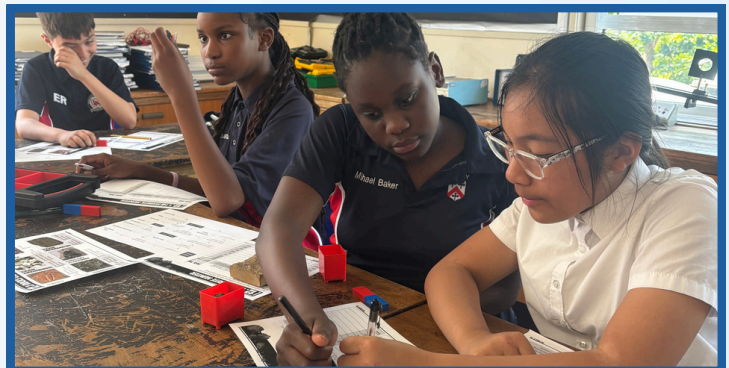

We are incredibly proud of Summer-Rose's outstanding achievement and are delighted to celebrate her success. Her journey is an inspiration to others, showing that with the right support and opportunities, every young person can achieve amazing things.

Year 7 Science is Out of This World!

Our Year 7 science lessons were literally out of this world this week as students explored rocks and meteorites using genuine lunar specimens.

Thanks to the Science and Technology Facilities Council (STFC) | UK Research and Innovation (UKRI), who kindly loaned the resources, students used explorer kits to identify a range of different rocks before having the exciting opportunity to examine materials collected during the Apollo Moon landings.

Pictured is Thomas Curtis (7B), demonstrating one of the fascinating lunar specimens. A fantastic hands-on experience that brought space science to life!

New Books, New Voices, New Adventures

Earlier this year, our school library applied to the Siobhan Dowd Trust for a grant to expand our neurodiverse collection and provide our student librarians and book club members with the opportunity to choose their own books.

We were delighted to be awarded £300, which our enthusiastic team spent last week at Jo's Bookshop in Chingford.

The independent bookshop's staff were incredibly accommodating and knowledgeable, helping to guide our students' choices for the new library stock.

Once the selections were made, our group of avid readers enjoyed making their own purchases.

After a hot morning of successful book browsing, we headed to a local café for some much-deserved refreshments.

A mid-morning snack of chocolate brownies, waffles, and milkshakes went down a treat before it was time to head back to school!

PTI Subject Leadership Mark 2026 - Mathematics

We are absolutely delighted to share that Mr Jeyakumar (Lead Practitioner for teaching and learning) was formally presented with the PTI Subject Leadership Mark 2026 for Mathematics last Friday in central London.

Once the selections were made, our group of avid readers enjoyed making their own purchases

While Mr Jeyakumar has worked tirelessly throughout the past year to achieve this prestigious national accreditation - investing many hours beyond the school day to prepare the evidence, reflect on our practice and complete the rigorous process - this award is not simply a personal achievement. It is a celebration of what the flagship Mathematics department has accomplished together.

Year after year, Maths consistently deliver some of the highest GCSE outcomes in the borough, with over 90% of our students achieving Grades 4–9. These outstanding results are no accident; they are the product of relentless hard work, high expectations, expert teaching and an unwavering commitment to ensuring every student has the opportunity to succeed.

The PTI Subject Leadership Mark recognises excellence in curriculum leadership, subject expertise and continuous improvement. Receiving this award is a wonderful endorsement of the collective effort, ambition and collaborative spirit that define our Maths department.

Celebrating Henry's Sporting Success

We are delighted to celebrate the outstanding achievements of Henry in Year 8, who has proudly earned an impressive four medals at the London Youth Games.

Henry demonstrated exceptional talent, determination, and sportsmanship across multiple events, achieving:

- 🥇 Gold Medal – 800m
- 🥈 Silver Medal – High Jump
- 🥉 Bronze Medal – Cross Country
- 🥉 Bronze Medal – Athletics (as part of the Redbridge Boys Team)

These accomplishments reflect Henry's dedication to training, perseverance, and enthusiasm for sport.

Competing at such a high level across a range of disciplines is a remarkable achievement, and he has represented both his school and borough with pride. Congratulations, Henry, on your fantastic success.

We look forward to seeing what you achieve next!

Year 10 and 12 Work Experience

Last week, our Year 12 students completed their one week work experience placements, and this week our Year 10 students are taking part in their placements across a wide range of industries and organisations.

The overall feedback from the Year 12 students was positive with many commenting on how much they enjoyed the experience and wishing that it had been for two weeks.

Trinity staff either visited students in person or checked in with the employers by telephone, receiving many positive comments about the students attitude and willingness to learn.

Some of the feedback from employers included

"Great to have around"

"Was like part of the team"

"Always willing to learn"

"Used their initiative"

"Was a pleasure to have them there"

These comments reflect the impression the students had on the employer's and the dedication and maturity that they showed during their placements.

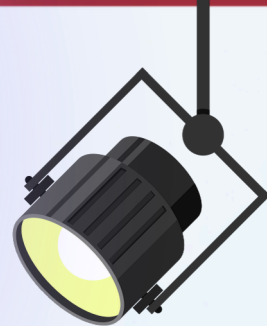

Work experience provides the students with an opportunity to explore different industries that they may not have previously considered.

An insight into the world of work, develop key employability skills such as teamwork, communication, problem solving and time management. Helping them to make informed decisions about their education and career aspirations.

SIXTH FORM SPOTLIGHT

Race Around London 2026 – Winning Team

Congratulations to our Race Around London 2026 champions!

Throughout the day, the team demonstrated excellent teamwork, communication and determination, working together to complete challenges and earn the highest number of points.

Their positive attitude, organisation and collaboration were key to their success.

As recognition of their achievement, the team were presented with a special Race Around London trophy, which now takes pride of place in the school trophy cabinet alongside many other prestigious awards.

We hope that, as future Sixth Form students take part in this annual enrichment activity, they will be inspired to follow in this year's winners' footsteps and add their own names to another trophy by becoming future champions.

Well done once again to our winners, and to everyone who took part in making this year's event such a memorable success. We look forward to another fantastic Race Around London next year!

Personal Statements – Summer Preparation

As students prepare for their final year of Sixth Form, they have been asked to complete the first draft of their UCAS personal statement over the summer holidays.

A letter outlining the expectations and providing guidance has been sent to both students and parents to support this important stage of the university application process.

When we return in September, we will continue our dedicated UCAS programme, working closely with students to refine and strengthen their personal statements in preparation for university applications.

Completing a first draft over the summer will ensure students are well placed to make an excellent start to this important work.

Important Dates for Our New Year 12 Students

We would like to remind all students and parents of the important dates for joining Trinity Sixth Form in September, subject to students meeting the entry requirements for Year 12.

A detailed letter has been sent to all families outlining the enrolment process and key information.

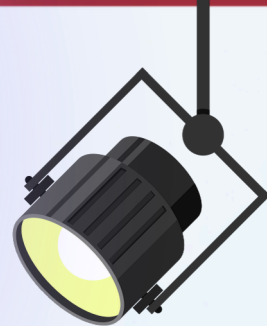

Key Dates

GCSE Results Day:

Thursday 20 August 2026 – Students who have met the entry requirements should log in to Applicaa to formally accept their place as soon as possible after receiving their results.

SIXTH FORM SPOTLIGHT

Enrolment Sessions:

Wednesday 2 September and Thursday 3 September 2026 –

Students will attend their allocated morning or afternoon session, based on the first letter of their surname, to complete enrolment and collect their timetables and resources.

Year 12 Welcome Day:

Friday 4 September 2026

– All new Year 12 students are expected to attend an important induction, welcome assembly and team-building activities.

Lessons Begin:

Monday 7 September 2026.

Further information and reminders will be provided during the summer and following GCSE Results Day to ensure students are fully prepared for enrolment and the start of Sixth Form.

We hope that many of our current Year 11 students will be joining us in September and look forward to welcoming the next cohort into Trinity Sixth Form.

We wish everyone the very best of luck with their GCSE results and hope to celebrate your success with you on Results Day.

Students Enjoy Reward Trip to Jesus Christ Superstar at the London Palladium

Fifteen students from Years 7–12 recently enjoyed an unforgettable reward trip to the London Palladium to see Andrew Lloyd Webber and Tim Rice's iconic rock musical, Jesus Christ Superstar.

The students earned their place through their outstanding attitude to learning, excellent attendance, and consistently positive contribution to school life.

The newly reimagined production combined its legendary rock score with striking contemporary staging, dynamic choreography, and a powerful live band.

Featuring Sam Ryder as Jesus and Jesse Tyler Ferguson as King Herod, the performance captivated the audience from beginning to end. Students described the show as "amazing", with several saying it had "reaffirmed their faith."

Throughout the day, our students were

exceptional ambassadors for Trinity, demonstrating exemplary behaviour and representing the school with pride. The trip was a well-deserved reward for their hard work and dedication. Congratulations to all who earned this fantastic opportunity.

Launching **THE SHARP SYSTEM**

At Trinity Catholic High School, the safety and wellbeing of our students is always our top priority. We are proud to launch the SHARP system (School Help Advice Reporting Page) A confidential online platform that empowers students to report concerns and seek support quickly and securely.

The SHARP system allows students to raise issues such as bullying, online safety, hate crime, weapons, health and wellbeing, or any other worries they may have either about themselves or someone else. Reports can be made anonymously, ensuring every student has a voice and a safe way to be heard.

The platform is easy to access via any device at:

trinitychs.thesharpsystem.com

HOW TO USE SHARP

1. Visit trinitychs.thesharpsystem.com
2. Click Make Report to share your concern.
3. Explore the dedicated help pages on topics such as bullying, health, hate crime, and community safety.
4. If you prefer to speak to someone directly, you can always approach a member of staff or contact Mrs McGrory, Head of Pastoral.

A Message from the Headteacher

“At Trinity Catholic High School, our Mission is to ensure that every student feels safe, valued, and supported and has a voice. The SHARP system provides an additional, confidential way for students to share any concerns, knowing that they will be listened to and taken seriously.

We want all members of our community to understand that safeguarding and wellbeing are at the heart of everything we do. By speaking up, students are helping us to build a culture of trust, care, and respect. No student should ever feel alone. Together, we can make Trinity a safe and supportive place for everyone.”

Why SHARP Matters

1. Gives students a safe and confidential space to raise concerns
2. Helps staff respond quickly and effectively to issues
3. Builds a culture of care, respect, and inclusion across our community

We encourage all students and parents to familiarise themselves with the SHARP system and to use it whenever needed. Together, we can ensure that Trinity remains a place where every student can flourish in safety and confidence.
