

Academy Uniform Policy

Our uniform is how the local community recognises and makes judgements about us as an Academy and so it is important that students always present themselves in a positive disciplined way. We want all students to be proud to wear the uniform and have a sense of pride that they belong to The St Lawrence Academy. The uniform policy supports the ethos of the Academy where we expect all students to have respect for each other and for their appearance. Students are our ambassadors and this applies as much to their appearance going to and from the Academy as when they are studying in the Academy. A smart appearance will be expected at all times and parents / carers are asked to ensure that this is respected. Students are expected to wear the correct uniform at all times.
