Ask the students!

Is it easy to get lost?

No, not at all! There are only two wings, the East wing which has green chairs and the West wing which has purple chairs. If you are on the **Ground** floor your timetable will have a **G** and if you are on the **First** floor it will have an **F**. So for example, if you are in EF10, you are in the East wing First floor. On each door there is a sign that tells you what room it is.

What are the teachers like?

"They are so lovely, they are kind and patient and they will always support you. There are so many amazing teachers who will help you if you ever need it!"

**On your first day here
at The St Lawrence
Academy there will just
be Year 7's and Year
11's in school!**
