

The
St Lawrence
Academy

My New Secondary School

My name is _____.

I am _____ years old.

The Secondary School I will be attending is
called _____.

My first day at Secondary School will be in September...

On my first day, I will find out who my form teacher will be and where my form class is located.

At The St Lawrence Academy students line up before they go into tutor. My tutor will show me where I have to be in September.

In Secondary School, I will not stay in the same class all day. This is ok.

I will move to different classrooms for different lessons.

On my first day, I will be given a weekly timetable.

This will show me what lessons I have and which classrooms they will be located in. This can sometimes be confusing; I can always ask a member of staff or a friend for help.

I will not have a coat peg or cloakroom in Secondary School. This is ok.

I will have to carry my coat and bag to all my lessons

I will need to remember to have all my books and stationary with me to take to each lesson.

Some important rules to remember for Secondary School: I will be allowed to take my mobile phone into school but I will need to keep it switched off and in my pocket whilst in school.

I need to make sure I have the correct school uniform on at all times. This may include wearing a blazer, tie, having my shirt tucked in and wearing the correct shoes.

The PE Kit is for girls and boys.

Lunchtimes are different in Secondary School too. This is ok.

In the school diner, I will have a large variety of food to choose from including hot and cold options.

I can choose where I sit in the diner to eat my lunch.

I might have some more questions I want to ask about Secondary School. This is ok.

I will have a HoY- Head of Year, who will support all the students in the year .They will be able to support me.

I will also have an SPL - Student Progress Leader for Year 7. If I can't find my HoY they will be around to support me.

I can always ask an adult in my house or an older sibling.

I am looking forward to starting my new journey in my new School!!!
