

Dates for Autumn Term 1

The children have made a fantastic start to the new school year and settled into their new classes brilliantly. We have been busy learning how to use the new playground gym equipment and earning gym memberships. We enjoyed a fantastic visit from Rock Steady Music last Friday, where the children and teachers had the opportunity to 'rock out' in style! You can see some pictures of the fun on twitter @WebheathSchool.

Please see below the key dates for your diary for this half term and beyond. Further details about each event will be sent via Arbor nearer the date.

On **Monday 25th September**, we would like to invite parents to visit classrooms, spend time with class teachers and learn more about the children's new year groups. Your children are welcome to join you to show you their learning environments and to share the learning they have been enjoying so far this year. Please wait at the usual collection points where your child will be released as usual. You will be invited to enter school through the usual children's entrances on

these days after all of the children have been collected. **Year 1 parents/carers**, please continue along the service road and enter school through the Nursery/Reception entrance after collecting your child.

We are proud that our school is such a thriving and ever-changing place and we try to take up every opportunity offered to enrich the children's experience here. This does mean that some things may be missing from the list above as we do not know they are going to happen yet! We will inform the wider school community of any additional events as soon as we possibly can. We will release further information about the build up to Christmas as soon as possible in November.

Kind regards

Mrs Heffernan
