Communication and Language	<p>Welcome to EYFS</p> <p>Settling in activities Making friends Children talking about people that are special to them Children talking about experiences that are familiar to them I am special because... About family routines and special occasions Show an interest in the lives of other people Follow instructions (settling in, putting my things away) Develop vocabulary</p> <p>SPEECH LINK ASSESSMENTS (all children)</p>	<p>Listen and respond!</p> <p>Develop vocabulary: Word aware Discovering Passions Listening and responding to stories Following instructions Takes part in discussion Understand how to listen carefully and why listening is important. Choose books that will develop their vocabulary.</p>	<p>Tell me why!</p> <p>Develop vocabulary: Word aware Using language well Asks how and why questions... Retell a story with story language Remember key points from a story Ask questions to find out more and to check they understand what has been said to them. I can describe events (Chinese New Year) Listen to and talk about stories to build familiarity and understanding. Learn rhymes, poems and songs.</p>	<p>Explain to me!</p> <p>explore vocab Reciting poems and songs I can learn and recite, poems and songs Tell me a story - retelling stories: I can listen to and engage in and talk about selected non-fiction I can articulate my ideas and thoughts into well-formed sentences I ask questions to find out more</p>	<p>Can you recount an event?</p> <p>Explore Vocab I can learn and recite, poems and songs I can listen to, engage in and talk about non-fiction Articulate a life cycle I can describe events in some detail: farm trip, frog lifecycle/butterfly lifecycle</p>	<p>Tell me about differences?</p> <p>Explore Vocab I can learn and recite, poems and songs I can talk about similarities and differences between things in the past and now (Peepo/toys) I can talk about the experiences I have had at different points in the school year (end of year video) I can talk about things that excite me about moving to Year One. I can talk about things I am worried about when I move to Year One.</p>

The development of children's spoken language underpins all seven areas of learning and development. Children's back-and-forth interactions from an early age form the foundations for language and cognitive development. The number and quality of the conversations they have with adults and peers throughout the day in a language-rich environment is crucial. By commenting on what children are interested in or doing, and echoing back what they say with new vocabulary added, practitioners will build children's language effectively. Reading frequently to children, and engaging them actively in stories, non-fiction, rhymes and poems, and then providing them with extensive opportunities to use and embed new words in a range of contexts, will give children the opportunity to thrive. Through conversation, story-telling and role play, where children share their ideas with support and modelling from their teacher, and sensitive questioning that invites them to elaborate, children become comfortable using a rich range of vocabulary and language structures. Children will be taught the skills of oracy through the introduction and development of Voice 21, where children will be given daily opportunities to share and listen and build on group and class discussions.

Early Learning Goals:

Listening, Attention and Understanding

Children at the expected level of development will:

- Listen attentively and respond to what they hear with relevant questions, comments and actions when being read to and during whole class discussions and small group interactions;
- Make comments about what they have heard and ask questions to clarify their understanding;
- Hold conversation when engaged in back-and-forth exchanges with their teacher and peers.

Speaking

Children at the expected level of development will:

- Participate in small group, class and one-to-one discussions, offering their own ideas, using recently introduced vocabulary;
- Offer explanations for why things might happen, making use of recently introduced vocabulary from stories, non-fiction, rhymes and poems when appropriate;
- Express their ideas and feelings about their experiences using full sentences, including use of past, present and future tenses and making use of conjunctions, with modelling and support from their teacher.

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2

Personal, social and Emotional Development	Relationships Getting to know each other and making friends Belonging to the Webheath family and our routines Roles of people at school; families; feeling cared for Being safe at school and PANTs rule How behaviour affects others; being polite and respectful Kapow unit on well-being		Living in the Wider World What rules are; caring for others' needs; looking after the environment (inside and out) Using the internet and technology safely; use computing at school EYFS		Health and Wellbeing Keeping healthy; food and exercise, hygiene routines; sun safety, water safety Recognising what makes them unique and special; feelings; managing when things go wrong	
	PSED Continuous Provision					
	All about me What makes me special Me and my special people Who can help me? (self-regulation) Me and my feelings (naming different feelings, thinking about how to feel with 'not so good feelings'; know	Valuing differences Developing confidence to new activities Sharing Forming positive and trusting relationships with adults and peers Learning to ask for help.	Developing independence Following simple instructions Maintaining focus for longer periods of time Understand right from wrong	Showing more independence Following more complex instructions Contributing and responding appropriately during group activities Understand right from wrong and adjust behaviour accordingly.	Resolving conflicts with peers Showing resilience and perseverance Following instructions with several steps Managing emotions Adapting and managing	Transition into Year 1 Year 1 readiness

	<p>some self-care techniques) Know that some actions and words can hurt others feelings.</p> <p>Oral hygiene: teeth cleaning linked to the dental nurse</p> <p>Handwashing Toileting</p> <p>Class rules: Behavioural expectations in the class/boundaries set Class rules</p>	<p>Handwashing Toileting</p> <p>Class rules: Behavioural expectations in the class/boundaries set Class rules</p>		<p>Show empathy towards others</p>	<p>behaviour in different situations</p>	
	<p>Handwashing Toileting</p> <p>Class rules: Behavioural expectations in the class/boundaries set Class rules</p>					

Books to support PSED

- Emotions and feeling - Ruby's Worry, The Colour Monster, Big Feelings, Don't Roar
- Families - Owl Babies, All about families, Love Makes a Family
- Health and Hygiene - Alan's Big Scary teeth, Let's Brush our Teeth, Wash your Hands, Mr Panda
- Being safe - Once Upon a Time Online, Smartie Penguin, Pantosaurus
- Sharing - The sharing Shell, Elephant learns to Share, The Squirrels who Squabbled
- Kindness - Kind, Kind, Room on the Broom, Fill a Bucket, The Kindest Giant in Town

Children's personal, social and emotional development (PSED) is crucial for children to lead healthy and happy lives, and is fundamental to their cognitive development. Underpinning their personal development are the important attachments that shape their social world. Strong, warm and supportive relationships with adults enable children to learn how to understand their own feelings and those of others. Children should be supported to manage emotions, develop a positive sense of self, set themselves simple goals, have confidence in their own abilities, to persist and wait for what they want and direct attention as necessary. Through adult modelling and guidance, they will learn how to look after their bodies, including healthy eating, and manage personal needs independently. Through supported interaction with other children, they learn how to make good

friendships, co-operate and resolve conflicts peaceably. These attributes will provide a secure platform from which children can achieve at school and in later life.

Early Learning Goals:

Self-Regulation

Children at the expected level of development will:

- Show an understanding of their own feelings and those of others, and begin to regulate their behaviour accordingly;
- Set and work towards simple goals, being able to wait for what they want and control their immediate impulses when appropriate;
- Give focused attention to what the teacher says, responding appropriately even when engaged in activity, and show an ability to follow instructions involving several ideas or actions.

Managing Self

Children at the expected level of development will:

- Be confident to try new activities and show independence, resilience and perseverance in the face of challenge;
- Explain the reasons for rules, know right from wrong and try to behave accordingly;
- Manage their own basic hygiene and personal needs, including dressing, going to the toilet and understanding the importance of healthy food choices.

Building Relationships

Children at the expected level of development will:

- Work and play cooperatively and take turns with others;
- Form positive attachments to adults and friendships with peers;
- Show sensitivity to their own and to others' needs.

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2

	Taking shoes off and putting them on	Using knife and fork	Encouraged to draw freely. Holding Small Items / Button Clothing / zips Cutting with Scissors			Draw pictures that are recognisable. Build things with smaller linking blocks, such as Lego
	Fine motor intervention: For children recognised needing extra support	Fine motor intervention: For children recognised needing extra support				
	Gross Motor		Gross Motor		Gross Motor	
	Outdoor play - sand and water play - pouring, patting, filling and emptying. - crates and construction resources from making obstacle courses - big chalk, painting, rollers for big mark making - hopscotch - jumping and hopping - dough area Weekly forest school		Outdoor play - mud kitchen, mixing, cutting, patting, whisking. - blocks for lifting and building - skipping ropes, beanbags and hoops (throwing and catching) - dough area Weekly forest school		Gardening - digging, pulling, patting, watering Outdoor play - mud kitchen, mixing, cutting, patting, whisking. - blocks for lifting and building - balls (throwing and catching) - dough area Weekly forest school	
	PE		PE		PE	
	Balance and Coordination		Sportsmanship, health and fundamentals - Multiskills		Movement and Space	
	Handwriting Letterjoin	Handwriting Letterjoin	Handwriting Letterjoin	Handwriting Letterjoin	Handwriting Letterjoin	Handwriting Letterjoin
<p>Physical activity is vital in children's all-round development, enabling them to pursue happy, healthy and active lives⁷. Gross and fine motor experiences develop incrementally throughout early childhood, starting with sensory explorations and the development of a child's strength, co-ordination and positional awareness through tummy time, crawling and play movement with both objects and adults. By creating games and providing opportunities for play both indoors and outdoors, adults can support children to develop their core strength, stability, balance, spatial awareness, co-ordination and agility. Gross motor skills provide the foundation for developing healthy bodies and social and emotional well-being. Fine motor control and precision helps with hand-eye co-ordination, which is later linked to early literacy. Repeated and varied opportunities to</p>						

explore and play with small world activities, puzzles, arts and crafts and the practice of using small tools, with feedback and support from adults, allow children to develop proficiency, control and confidence.

Early Learning Goals:

Gross Motor Skills

Children at the expected level of development will:

- Negotiate space and obstacles safely, with consideration for themselves and others;
- Demonstrate strength, balance and coordination when playing;
- Move energetically, such as running, jumping, dancing, hopping, skipping and climbing.

Fine Motor Skills

Children at the expected level of development will:

- Hold a pencil effectively in preparation for fluent writing – using the tripod grip in almost all cases;
- Use a range of small tools, including scissors, paint brushes and cutlery;
- Begin to show accuracy and care when drawing.

The Snowman

It is crucial for children to develop a life-long love of reading. Reading consists of two dimensions: language comprehension and word reading. Language comprehension (necessary for both reading and writing) starts from birth. It only develops when adults talk with children about the world around them and the books (stories and non-fiction) they read with them, and enjoy rhymes, poems and songs together. Skilled word reading, taught later, involves both the speedy working out of the pronunciation of unfamiliar printed words (decoding) and the speedy recognition of familiar printed words. Writing involves transcription (spelling and handwriting) and composition (articulating ideas and structuring them in speech, before writing).

Early Learning Goals:

Comprehension

Children at the expected level of development will:

- Demonstrate understanding of what has been read to them by retelling stories and narratives using their own words and recently introduced vocabulary;
- Anticipate – where appropriate – key events in stories;
- Use and understand recently introduced vocabulary during discussions about stories, non-fiction, rhymes and poems and during role-play.

Word Reading

Children at the expected level of development will:

- Say a sound for each letter in the alphabet and at least 10 digraphs;
- Read words consistent with their phonic knowledge by sound-blending;
- Read aloud simple sentences and books that are consistent with their phonic knowledge, including some common exception words.

Writing

Children at the expected level of development will:

- Write recognisable letters, most of which are correctly formed;
- Spell words by identifying sounds in them and representing the sounds with a letter or letters;
- Write simple phrases and sentences that can be read by others.

---	---	--	--	--	---

Developing a strong grounding in number is essential so that all children develop the necessary building blocks to excel mathematically. Children should be able to **count confidently, develop a deep understanding of the numbers to 10, the relationships between them and the patterns within those numbers.** By providing frequent and varied opportunities to build and apply this understanding - such as using **manipulatives**, including small pebbles and tens frames for organising counting - children will develop a secure base of knowledge and vocabulary from which mastery of mathematics is built. In addition, it is important that the curriculum includes rich opportunities for children to develop their **spatial reasoning skills** across all areas of mathematics including **shape, space and measures.** It is important that children develop positive attitudes and interests in mathematics, look for **patterns and relationships, spot connections, 'have a go', talk to adults and peers about what they notice and not be afraid to make mistakes.**

Early Learning Goals:
Number
Children at the expected level of development will:

- Have a deep understanding of number to 10, including the composition of each number;
- Subitise (recognise quantities without counting) up to 5;
- Automatically recall (without reference to rhymes, counting or other aids) number bonds up to 5 (including subtraction facts) and some number bonds to 10, including double facts.

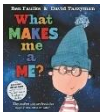

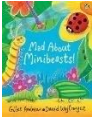

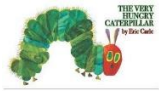

Numerical Patterns
Children at the expected level of development will:

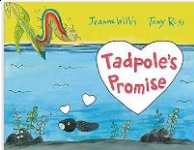

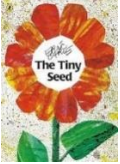

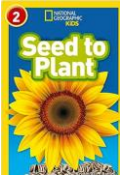

- Verbally count beyond 20, recognising the pattern of the counting system;
- Compare quantities up to 10 in different contexts, recognising when one quantity is greater than, less than or the same as the other quantity;
- Explore and represent patterns within numbers up to 10, including evens and odds, double facts and how quantities can be distributed equally.

Chinese New Year</p> <p>F3. Why is Easter special to Christians?</p>	<p style="text-align: center;">RE</p> <p>F5. What places are special and why?</p>			

	F2. Why is Christmas special for Christians? Posada Diwali	Eid	F6. What times/stories are special and why?
<p>Understanding the world involves guiding children to make sense of their physical world and their community. The frequency and range of children's personal experiences increases their knowledge and sense of the world around them – from visiting parks, libraries and museums to meeting important members of society such as police officers, nurses and firefighters. In addition, listening to a broad selection of stories, non-fiction, rhymes and poems will foster their understanding of our culturally, socially, technologically and ecologically diverse world. As well as building important knowledge, this extends their familiarity with words that support understanding across domains. Enriching and widening children's vocabulary will support later reading comprehension.</p>			
<p>Early Learning Goals: Past and Present Children at the expected level of development will:</p> <ul style="list-style-type: none"> - Talk about the lives of the people around them and their roles in society; - Know some similarities and differences between things in the past and now, drawing on their experiences and what has been read in class; - Understand the past through settings, characters and events encountered in books read in class and storytelling. <p>People, Culture and Communities Children at the expected level of development will:</p> <ul style="list-style-type: none"> - Describe their immediate environment using knowledge from observation, discussion, stories, non-fiction texts and maps; - Know some similarities and differences between different religious and cultural communities in this country, drawing on their experiences and what has been read in class; - Explain some similarities and differences between life in this country and life in other countries, drawing on knowledge from stories, non-fiction texts and – when appropriate – maps. <p>The Natural World Children at the expected level of development will:</p> <ul style="list-style-type: none"> - Explore the natural world around them, making observations and drawing pictures of animals and plants; - Know some similarities and differences between the natural world around them and contrasting environments, drawing on their experiences and what has been read in class; - Understand some important processes and changes in the natural world around them, including the seasons and changing states of matter.

	<p>The development of children's artistic and cultural awareness supports their imagination and creativity. It is important that children have regular opportunities to engage with the arts, enabling them to explore and play with a wide range of media and materials. The quality and variety of what children see, hear and participate in is crucial for developing their understanding, self-expression, vocabulary and ability to communicate through the arts. The frequency, repetition and depth of their experiences are fundamental to their progress in interpreting and appreciating what they hear, respond to and observe.</p> <p>Early Learning Goals Creating with Materials Children at the expected level of development will:</p> <ul style="list-style-type: none"> - Safely use and explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form and function; - Share their creations, explaining the process they have used; - Make use of props and materials when role playing characters in narratives and stories. <p>Being Imaginative and Expressive</p>		

Children at the expected level of development will:

- Invent, adapt and recount narratives and stories with peers and their teacher;
- Sing a range of well-known nursery rhymes and songs; Perform songs, rhymes, poems and stories with others, and - when appropriate - try to move in time with music.
