

English

Our class text is called, The house of Madame M or Wonder and we will be exploring themes of 'difference' and writing exciting descriptions and furthering our reading for pleasure. We will be revising all elements of spelling, punctuation and grammar in preparation for our KS2 SATS.

Maths

We will be practising key areas of mental and recorded maths: number, place value, all four operations, fractions. and decimals. We will also be learning about shape, position and direction.

Science

On completion of the Electricity' unit We will be exploring the heart and circulatory system through models and enquiries and considering how lifestyle choices affect our health.

MFL

In French we will be recapping our French knowledge from across our Key Stage 2 learning journey.

History

Our key question: Unheard histories: Who should appear on a bank note? We will be considering lesser known characters from British history and the impact these people have made on modern society.

Computing

We will be Learning about the Internet of Things and how it has led to 'big data'. Learning how 'big data' can be used to solve a problem or improve efficiency. .

Year 6 Summer Term 1

RE

Our unit is called 'What kind of King was Jesus?' We will explore how Christians see Jesus as a king and what he did to show this. We will then explore how we can make the word a better place linking to what kind of world Jesus would have wanted.

Art

Our Art unit teaches the children to create expressive sculptures and reflect on artistic decisions. Children learn to represent memories through art, using various materials and techniques, and develop skills in planning, creating, and evaluating 3D sculptures.

Music

The theme for our music is. Composing and performing ready for our end of school production and encompassing all prior skills learned; harmony, melody, beat and individual/group performances!

PE- Thursday and Friday

In gymnastics we will be showcasing the children's gymnastic skills into performances – including handstand and cartwheel, use apparatus to create paired sequences and develop the quality of our balances.

Outdoor, we will be learning how to play striking and fielding games, including Rounders, quick cricket and kickball.

How you can support your child at home

- Daily reading and discussion of the text, asking questions about the characters, plot and setting.
- TT Rockstars to secure quick recall of key multiplication and division facts.
- Hit the Button- a free online maths game to help with quick recall
- [Hit the Button - Quick fire maths practise for 6-11 year olds](#)
- Key spelling rules we are focussing on this half term include:
.....
- Spelling of Year 5 and 6 words.

PSHE

Our unit will focus on physical health and mental wellbeing; understanding healthy choices and habits and what affects feelings, considering how we can express them.
