

English

Our class text is called, ' ' We will be focusing on

History

Our new topic will be 'What is life like in the Alps?' In this unit we will explore.....

Music

Our unit is called looping and remixing, we will be using loops to create a whole piece of music, ensuring that the different aspects of music work together. Aswell as performing a piece with structure and different loops.

PSHE

Our overarching theme for PSHE is looking at our health and wellbeing. We will be learning about healthy sleep habits; sun safety; medicines, vaccinations, immunisations and allergies.

Maths

We will be finishing our learning with decimal numbers. Following this, we then will move onto looking into negative numbers and where we use these in real life situations, conversion of units and volume. We will be recapping our arithmetic skills of the key operations (+, - x and ÷) throughout this half term.

Computing

We will be carrying on with our learning on vector graphics and then will begin learning about Programming, using Scratch to create quizzes.

PE- Monday and Wednesday.

In dance, we will**country dancing**

Outdoor, we will be focussing on athletics. This will include the core fundamental movements of running, jumping, throwing and catching. This will also assist us in preparing for our sports day!

Year 5 Summer Term 2

Science

We will be continuing our learning on Unbalanced Forces and then will begin our new topic on Animals: Human Timeline, where we will learn how humans change from babies to old age and identify changes in male and female puberty.

RE

Our unit is called, "What matters most to humanists and Christians?" where we will explore different opinions and priorities for a variety of groups.

Art/ DT

Our unit focuses on cooking and nutrition, with the overarching focus of 'What could be healthier?'. This will include developing skills in nutrition. The children will learning a simple recipe and adapting it to improve nutritional content..

How you can support your child at home

- Daily reading and discussion of the text, asking questions about the characters, plot and setting.
- TT Rockstars to secure quick recall of key multiplication and division facts.
- Hit the Button- a free online maths game to help with quick recall
- [Hit the Button - Quick fire maths practise for 6-11 year olds](#)
- Key **spelling** rules we are focussing on this half term include:
- Spelling of Year 5 and 6 words/
- Developing their understanding of telling the time across the day.

MFL

In French we will be finishing off our own version of The Hungry Caterpillar. And then will begin a new topic all about describing things around our homes.
