We are proud that our school is such a thriving and ever-changing place and we try to take up every opportunity offered to enrich the children's experience here. This does mean that some things may be missing from the list above as we do not know they are going to happen yet! We will inform the wider school community of any additional events as soon as we possibly can. We will release further information about the build up to Christmas as soon as possible in November.

"Learning, Creating and Growing Together".
