

## Key Instant Recall Facts

### Year 5 Spring 2

#### Target:

By the end of the term, your child should be able to 'identify prime numbers up to 20'.

#### Key Vocabulary

Prime

Factors

Factor Pair

Multiples

Product

Multiply

#### Questions to ask

- Is this a prime number
- How do you know?
- What are the factors of...?

#### Activities to try at home

- Create some factor bugs, hide them around the room, set a timer and complete as many as you can in!
- Treasure hunt! Put a variety of numbers around the room. Your child needs to find all of the prime numbers, and leave the non-prime numbers where they found them.
- Listen to the prime number song!

#### Games to try!

Maths Bot Prime number game - find the prime!
