Welcome to the new term!

A big and warm welcome to everyone starting the new school year! We had new faces and familiar faces on Tuesday morning and they all had one thing in common- a smile!

Everyone has embraced the new start with a great attitude and settled in extremely well, we are all looking forward to a fantastic year! We would like to thank everyone for keeping good time as this has really helped the children to get straight into their learning when they arrive, we really appreciate it.

As always, we have an open door policy for queries, questions or concerns so don't worry about catching any member of staff first thing or after school. If you are not around at the drop offs and pick ups, you can ring the school office or email.
