We are continuing our value of nurture

Friday 27th June 2025

It has been lovely to welcome our new Reception children this week. They were all smiles as they were playing and it looks like they will be off to a flying start.

The rest of the school have their transition days next week and I know that the children and adults will all have feelings of excitement and a few nerves the night before. Staff are working hard to produce information for parents about what the year will look like for the children, which we hope to have uploaded to the website by this time next week, but I know that the children will have a fabulous day and be excited for September.

Have a wonderful weekend- it looks like it will be a warm one!

Values—Integrity

We continue our focus on our school value of Integrity for the rest of this half term. This has been clear to see with our children representing school in the MAT sports day, where they showed great sportsmanship and perseverance.

Here is a reminder of our nurture value story:

Our compass gives us our direction and helps us with our decision making. We use it to guide us to stand up for what we believe in and what is right. It takes us on our journey and creates a map for us all to follow.

Those times when we are tested to go off the beaten path, our map ensures we pull together on the correct track. We are committed to our own compass so that we reach our individual, and shared, destinations.

Attendance

Our whole school attendance this week is 94.5%. We have noticed an increase in requests for leave of absence for holiday. Please can we remind you once again that term time holidays must be avoided and will not be authorised.

Congratulations to this week's Attendance Cup winners:

5EC with 99% - 3 marks missing 🏆

Silver: 4KH with 98.7% 4 marks missing

Bronze: RHH & 5SS with 97.6% 7 marks missing

Well done all!

Thursday 17th July -10.30am - Rocksteady concert to school and parents

Friday 18th July – 2.00pm Year 6 Parents and Children Rounders Afternoon

Friday 18th July – End of Summer Term

Attendance Ladder

Transition Day

Our whole school transition day will take place next **Wednesday, 2nd July**. Your child should enter and exit school as normal and will be taken to and from their new class teachers by their current teacher at the start and end of the day.

We will let both children and parents know the new teachers on **Tuesday 1st July afternoon**.

Opal

OPAL's vision is that every child, in every school, has an amazing hour of high-quality play every day – with no exceptions. If one child is not enjoying playtimes, then things still need improving.

This week in OPAL we have been making the most of the field, making bug houses, doing gymnastics and having their own mock sports day! It's lovely to see the children mixing year groups and collaborating so well together through play.

We are so grateful for all donations that help us to keep OPAL well resourced and fun for all. If anyone has any donations of toys, particularly small world toys such as Barbie's/action figures/ houses/ cars etc they would be most appreciated. Thank you!

Shires MAT Primary Sports Day

We had an amazing time on Wednesday at Studley High School.

Firstly, we took part in a new game called Bench Ball, this was so much fun, We won lots of games so got off to a great start. Next, we took part in tug of war. This was really hard and took lots of energy but overall, we did amazingly, we all worked together as a team, and it was so much fun even though it was really tiring!

Lunch was lovely out in the sunshine, and we even got given ice creams! We had to make sure we drank lots to keep ourselves hydrated.

After lunch we went onto the field to take part in lots of events including the obstacle course, relay, egg and spoon, mini games and lots of different running events. The sports leaders at Studley looked after us all really well.

We all supported our friends when they were doing their events and got really excited to see who was going to win.

Overall, we came 2nd and had a fabulous time. It was a great day.

Summer music concert

On Tuesday 24th June, our talented students put on a stunning concert to their parents. The concert involved the choir, Wedheath dancers and the music ambassadors. As part of the concert we held a bake sale and a raffle and raised a fantastic £305.70 for our friends' association. The performers showed great courage and made their teachers and parents very proud.

£305.70 raised for our friends' association!

Year 2 – Ogden Trust Science Morning

A selection of year 2 children were lucky enough to attend a Science morning all about materials. They enjoyed exploring the properties of materials and considering these while experimenting.

Rocket Challenge

Five Year 6 boys made us all feel very proud of their learning in Science and application of forces to create a rocket that really flew high!

Webheath's rocket was amongst the furthest travelling of all the rockets in the competition!

The boys all received their certificates and their Rocket trophy.

Well done:

William/Monty/ Zachary/Kian and Freddie!

Friends Annual Summer Fayre

The Friends annual summer fayre is just **one week away** on Friday 4th July from 3:30pm - 5:30pm on the school field. Entry is completely free! Join us for an afternoon of fun and games with ice-cream, cakes, candy floss and a free inflatable slide - all to raise valuable funds for the school. Our raffle draw will take place at 5pm and you can still buy tickets from the school office right up until the day. Please bring some cash/change as most stalls including food/drinks will be cash only.

Safety Information

We kindly ask that children are supervised by a parent or guardian at all times during the event. Should you need assistance, a **lost child and first aid point** will be located at the **raffle table**. In the unlikely event of a fire, the **evacuation point** will be on the **main playground**.

To help us ensure everyone's safety and privacy, please only take photographs of your own children. Lastly, please note that while we hope you have a wonderful time, the **Friends Association** is unable to accept responsibility for any lost or stolen property.

Thank you for your understanding and cooperation!

You will find flyers attached including a raffle prize list.

Year 6 Charity Baking

You may remember some of our Year 6 children selling cakes earlier this year to raise money for Birmingham Children's Hospital. We're delighted to share that this lovely group has decided to do it again before they leave us for secondary school—a wonderful act of service! They will be selling their homemade treats on the large playground after school on **Friday 11th July**. They will also be running a stall at our **Summer Fayre on Friday 4th July**. Please come along to support them if you can—every cake bought helps make a difference!

🌻 Have a wonderful weekend – we can't believe it will be July next week! 🌻
