

## Key Instant Recall Facts

### Nursery Summer 1

#### Target:

By the end of the term, you child should be able to ....

- Use the one-to-one counting principle. Say a number name as they count each object.
- To ensure that they count each object only once, ensuring they have counted every object.

#### Key Vocabulary

one  
two  
three  
four  
five

count  
object

#### Questions to ask

Where do I start?  
Count this group of objects?  
Have you pointed/touched each object as you have counted?  
How many is that?

#### Activities to try at home

##### 'Toys'

- How many dolls/cars have you got there?
- Count the animals on the farm.

##### Lego / Toy Towers

- Count how many bricks you can use to make a tower?

##### Real-Life +10

- How many apples do I have?
- Use snacks, or counting the shopping.
- How many coats do I have? If you are on the way out.

##### Playdough smush -

Have balls of playdough - The children smush each play dough ball with their finger as they say each number: "1 - 2 - 3 - 4 - 5".

##### Poppets - can they count as they push each one down?

-Group anything that you may have at home.  
-Encourage them to move objects away as they count to ensure they don't get confused and count objects twice.
