

PRINCIPAL'S NEWSLETTER

May 2026

Dear Parents and Carers,

As we move further into the summer term, there is a real sense of excitement and enthusiasm across school. This term is always one of our busiest and most enjoyable, with so many opportunities for our pupils to learn and celebrate.

We have an incredibly full calendar ahead, including a residential visit, Sports Week, Magical 7 events, a range of offsite educational visits and, of course, our graduation celebration for pupils reaching important an milestone in their school journey. We are also very much looking forward to the Friends of West Oaks Big Breakfast this Saturday, which is always a wonderful opportunity for our school community to come together.

With the warmer weather arriving, classes have been making the most of our fantastic outdoor learning environments. Outdoor learning continues to play an important role in developing confidence, communication, wellbeing and independence for all of our pupils, and it has been wonderful to see so much engagement and enjoyment taking place beyond the classroom walls.

We are also delighted to share the launch of our new school website: westoaksschool.co.uk. The new site has been designed to be more accessible, informative and user friendly for families, and we hope you enjoy exploring it.

Alongside this, we would love for more families to follow our school Instagram page [@westoaksschool](https://www.instagram.com/westoaksschool), where we regularly share updates, celebrations and snapshots of the wonderful learning and experiences taking place across school.

Thank you, as always, for your continued support. The partnership between home and school is incredibly important to us, and we are grateful to work alongside such a supportive community.

We look forward to sharing an exciting and memorable summer term with all of our pupils and families.

Kind regards

Keeley
