

Parent Revision Surgery

GCSE Art and Design

or

GCSE Textiles

Your guide to study support

Helping your child to be the best they can be

GCSE Art, Craft and Design and Textiles

Both consist of

Component 1) Coursework Portfolio 60% and Component 2) Externally set assignment 40%.

Most pupils have completed their coursework, but some pupils still have a few things to tweak and must take responsibility to complete this work outside of scheduled lessons.

Please encourage your child to seek the necessary advice from their teachers regarding any loose ends that need tying up.

The Externally Set Assignment

**Your child has 11 weeks
(Until Easter) to complete all preparation work for
the 10 hour Exam**

**The exam will take place across 2 full days during the first
week back after Easter.**

(Date TBC)

How to support at home?

Sketchbooks:

Please purchase your child a new sketchbook for your child's to work in to produce their exam preparation work.

(We need to keep these separate to their coursework, to avoid any confusion).
Kindly pay on parent pay.

Please remind your child to bring their sketchbook, Task lists and assessment tracking booklet to all lessons.

(This is where they set individual learning targets in discussion with their teachers).

Homework and Feedback

Please encourage your child to complete all PLT's and homework set.

If your child is stuck on anything at all, please encourage them to talk to their teacher and ask for advice.

It is crucial that we pick up any artists block early on, so that we can provide the necessary feedback to help your child to achieve the best grade possible.

Support at School

- Wednesday week 2 targeted revision session 3.10 - 4.10.
- Lunch time support room D1 Mrs Hammond, D2 Mr Horton and D3 Mrs Johnstone
- If your child is stuck on work or homework, please encourage them to see their teacher outside of the lesson a convenient time, or to e mail them (via school e mail) directly for assistance.
