Your guide to study support

Helping your child to be the best they can be

Dates to Remember

Mock Exams w/c 24th February 2020. Students will complete all three papers.

Actual GCSE Exams;

- Paper 1 non calculator - Tuesday 19th May.
- Paper 2 calculator - Thursday 4th June.
- Paper 3 calculator - Monday 8th June.

What will the exams look like?

- Exam Board - AQA GCSE each exam 1h30.
- Foundation tier grade 1-5.
- Higher tier grade 3 - 9.
- Students tested on all topics from their five year maths curriculum. This covers the following strands; algebra, geometry, number, ratio, probability, data and statistics.
- Questions are a mixture of fluency, problem solving and reasoning.

How to support at home?

- Help your child to prioritise - your child should be spending **at least 90** minutes on their homework / revision each week. (orange homework book)
- Homework **IS** revision.
- Little and often. Often the work is easy to split into 30 min chunks.
- Equipment.
- Revision guides / corbett maths flashcards / formula sheets - test your child.
- Encourage your child to do fix up 5's / MemRi on Hegarty maths.
- If your child gets stuck with homework, encourage them to watch the Hegarty maths revision video to support in the first instance.
