We anticipate a surge in our online orders, we strongly recommend NOT delaying in placing orders for your child's PE kit to ensure receipt of items in time for September return to school.

Our forward orders with our suppliers *are* in place and we have worked closely alongside them to ensure the stock is available to us, however, the ongoing disruption to supply chain demand may mean sizes can run out but we will endeavour to get your purchase to you on time. Exchanges will be accepted as we appreciate that since the parent / uniform evenings have been suspended it makes things a little more difficult to get the correct size, a size chart is available on the Impack website and our support team will be happy to answer any queries with regards to this.

Thank you for your patience and understanding during this difficult time but rest assured we are here to help and will keep you inform of the status of your order. Delivery dates to the school for collection of orders is still to be confirmed and we will let you know in due course.

Many thanks and stay safe.
