

We understand that all parents want their child to feel fully prepared and ready for the return to school, after all the recent upheaval and having the right uniform in good time, makes all the difference to youngsters. Here's how to get everything you need without the stress:

1. Order all school uniforms online this year.

Our store is closed for 2020 and school uniform evenings are cancelled this year, in line with Government guidance. All school uniforms need to be ordered online via our website, at www.michaelsehgal.co.uk.

2. Order Now to avoid shortages!

Factories are operating with half the staff, so their ability to produce uniform has been halved, this is making deliveries slower than ever. Our advice is to get your order in early to avoid shortages. We will dispatch orders in the order they are received. Once stock runs out, there are likely to be delays.

3. Returns are Free

Our returns policy has been relaxed. Returns are free and there's no time limit for sending goods back, so you can purchase with ultimate confidence. There's also lots of guidance about sizing online. Call us if you need any help.

4. Our customer support team is here to help!

Please contact our customer support team with any queries you may have or to get more help with sizing. They have a wealth of experience and will do their best to help. Or Email us via sales@michaelsehgal.co.uk for any further information. We will do all we can to help you at this difficult time. Stay Safe and Well.
