

KS3 English

ISABELLA CHEETHAM

Fantastic commitment and enthusiasm in English, from the beginning of September to the difficulties of Google Classroom home learning. Isabella is keen and curious in all aspects of her English learning. She frequently wins our vocabulary competitions and her extended writing challenges are well structured and imaginative. Her dedication to her Accelerated Reading this year has been inspiring and I have been impressed with the challenging choice of texts. I look forward to seeing Isabella continue to thrive in English
