

KS4 English Language

MATTHEW DOYLE

Matthew radiates positivity and arrives to every single English Language lesson with a huge smile on his face! He is a remarkable student and it has been a great pleasure having him in my English Language class for two years. Matthew has shown impeccable resilience and it has been fantastic watching him progress in English. Matthew goes above and beyond every lesson – he is keen to support his peers with their studies and he is very reflective in his approach. Matthew makes pertinent contributions to class discussion and he is wonderfully inquisitive! Keep asking questions! Keep striving for the very best! I'm certain you have a very successful journey ahead and I couldn't be prouder of you!
