

KS5 Media

OLIVIA GRAHAM

Olivia has worked exceptionally hard and was determined to succeed in order to take a media course at university. Throughout our year, especially when we completed NEA and our Christmas music video, she was a key player to get the job done. Her support with Y11 induction evening was invaluable and her company and positivity was enjoyed not only by me, but the whole class. She is passionate about film and her music video, which she directed, produced and edited, revealed her true potential to become a modern artist. Olivia - it was a pleasure.
