

KS3 Art, Craft & Design

In memory of Dave Forbes

GRACE ATKINSON

At the beginning of the year, Grace asked if she could complete A Level Art within a year and promised to attend additional sessions and work outside of school to complete the necessary coursework. Although Grace has an outstanding level of natural talent, she is a humble young artist who has surpassed our expectations. Throughout this year and also during lockdown, she has demonstrated her genuine passion and commitment for the subject and deserves recognition by this award. We wish you every success for the future.
