ELLIE MOFFETT

Since starting at Whickham, Ellie has displayed a conscientious, positive attitude towards every lesson. She has been an absolute pleasure to teach and it has been wonderful watching her creativity and confidence develop over the years. Ellie is one of the most self-motivated pupils I have ever come across, with quiet determination, she always pushes herself to achieve success. Ellie has a genuine passion for life and knowledge, finding inspiration in all aspects of life. She is able to make intellectual connections and work independently to overcome any difficulties in order to achieve her intentions. I wish her every success for the bright future which lies ahead and I am delighted that she is continuing her creative journey through textiles at A Level.
