

KS4 Art, Craft & Design

EMILY OAKES

From as early as year 9, Emily had a goal of achieving a 9 in Art and this year, despite the challenges of Covid 19, she did exactly that. Emily has worked with sheer dedication and commitment throughout the course, responding well to feedback given. Her work has been frequently used as WAGOLL'S by art teachers to assist other pupils with their learning and understanding of the subject. Emily has always been an absolute pleasure to teach and we look forward to seeing her continually improve at A Level.
