

Leadership & Demonstrating School Values

TYLER MOORE

Since his arrival at Whickham school Tyler has demonstrated school values and excellent leadership skills. He is kind, considerate and has been extremely helpful to both staff and students. He quickly became involved in the school musical, Beauty and The Beast, committing to rehearsal time, even though it was his first term at Whickham and then taking part in the performances. He sang in the year 7 celebration assembly at Christmas and took a lead in the organisation of this event, performing in front of his year group peers. Tyler has a very positive attitude, keen to get involved in the life of Whickham school and has shown he is very reliable and keen to solve problems. A very positive start, well done.
