

# KS4 Health & Social Care

## EMILY MITCHELL

Since joining Whickham in Year 9, Emily has been an absolute joy to teach. Her work has always been of the highest quality and she was determined to achieved a D\* as her Health and Social Care grade. Her exam result of Distinction and her amazing coursework enabled her achieve this grade, which was fantastic. Emily always works hard, strives for excellence and is so polite and friendly all of the time. I wish her every success with her L3 studies in Health and Social Care in the sixth form.
