ELLIE MOFFETT

Ellie is an amazing dancer and dedicates most of her spare time to rehearsing and developing her dance techniques. Ellie is a fantastic leader and choreographer, both inside and outside of school and creates beautiful and interesting movement that conveys deep emotions and understanding of themes. Ellie was very committed to BTEC Performing Arts and was a conscientious learner who always tried her best and put in lots of extra hours in rehearsal for dance shows. When dancing, Ellie is mesmerising to watch and you can't help but follow her, as she stands out from the crowd with her fantastic performing skills. Well done!
