

KS5 PE

LEAH ROCKETT

Leah has been an outstanding pupil in PE throughout her time at Whickham School. She has achieved academic excellence in A Level PE, recently achieving a very well deserved A grade. Leah has also demonstrated an outstanding ability to balance her academic studies with the demands of an elite Gymnastics training and competition schedule. Leah competes nationally and has represented the GB Squad and the England Squad. She should be phenomenally proud of these achievements! Above all, Leah is an exceptionally modest, polite and personable young lady, who fully deserves this award. We wish her every success for her future.
