

# Year 10 Olympic Value Respect

## LUKE COWEN

Luke is without doubt one of the most polite and respectful young men I have ever worked with, he without fail will hold doors for staff and always greets me with a smile and says good morning. When a new student started, there was no hesitation from me to ask Luke to look after him and ensure his start at Whickham was positive. The decision proved to be correct as Luke went above and beyond to make the young man feel welcome and part of the school community. I have no doubt that Luke will go on to be very successful in life with this fantastic attitude.
