

# Overcoming Barriers to Learning

## IMOGEN HILLS

Imogen has achieved above expectations in Year 10, in all of her subjects she has surpassed her end of year targets and in most subjects is already working beyond her end of key stage target. Imogen's attitude towards school and the barriers that sometimes face her is truly remarkable, she shows a real determination in her pursuit of success. Throughout the school closure and the difficulties that brought to learning, Imogen consistently produced work of the highest standard. Well done Imogen!
