## ELLA HODSON

Ella has achieved an outstanding set of A level results. Achieving A\* grades in Biology, Chemistry, History, Mathematics and the Extended Project Qualification is a wonderful achievement. Ella is a student who demonstrates all of the qualities of an effective learner. Her appetite for new knowledge and willingness to challenge herself with the most difficult problems reflects her approach to study. The academic knowledge she has acquired combined with her personal qualities will ensure Ella excels in whatever she puts her mind to in the future.
