## KATIE SIMPSON

Katie is an exceptional student who has excelled in her studies. Her outstanding results (all grade 9), reflect not only her intelligence but also strong work ethic and determination to overcome problems that she has encountered. Katie is held in high regard by all of the staff who have taught her and they comment on her inquisitive nature and thirst for knowledge. We are sure she will be highly successful in the sixth form and achieve success in her advanced level studies in English Literature, German and Mathematics
