

# Leadership & Demonstrating School Values

## SKYE SHARP

Skye is a solid student, working consistently above target in seven of her subjects. She has 100% attendance and has 414 positive points which is the highest in the year group. During lockdown Skye applied her work ethic consistently even producing a fantastic pineapple pudding! Skye regularly represents the school in athletics and cross country, and helped to run and supervise the Y7 Sports Hall athletics. An absolute credit, and a pleasure to have in our Year group.
