

Achieving Beyond Expectations

SHARIA BEHROUZI

Sharia is an incredible young man who exceeds everyone's expectations about what a student can offer. Sharia has spoken in assembly in front of hundreds of his peers about his life experiences, has helped with translation for students who would have very much appreciated his assistance and reassurance, has demonstrated a true talent in subjects such as maths which has allowed him to support younger students to understand the subject in more detail. Sharia has not only demonstrated academic excellence but also an attitude towards others in school that is second to none. He is one of the most polite, helpful and friendly students you are ever likely to meet and has been a real asset to Whickham School during his time here.
