

Year 9 Inspiration Award

HANNAH KEHOE

Hannah is a student who comes into school everyday with a smile on her face. She is kind, caring and compassionate. She always tries her hardest. Despite facing her own personal challenges, she has worked very hard at overcoming them. A keen sportswoman, she has excelled in her trampolining, dedicating hours to training each week, having major success at regional and national tournaments, balancing it alongside her academics. Hannah demonstrates 'being the best she can be' everyday, and it has been a pleasure to have her in my year group and watch her thrive. Well done Hannah, you are an inspiration to me, and your peers!
