

# Year 9 Olympic Value Equality & Diversity

**OWEN  
LILLIE**

Owen is a polite, caring young man, with a fantastic sense of humour. Owen is inclusive, has stood up for his beliefs on a number of occasions and supported others to also do so. I am very proud of the way he has handled himself, not being afraid to share his opinion but in the right way. He believes everybody has a voice and it is lovely to see his confidence grow, watching him become more comfortable in his own skin. Owen, well done and keep working hard in year 10!
