

KS5 French

CHLOE JACKSON

Chloe has shown real independence and determination in her French studies. She has always been keen to take the initiative in discussions about the course topics and has the ability to express her ideas and opinions in French, as well as understand other people's point of view. She enjoyed the film and literature study and I enjoyed hearing her interpretation of the works. She has been an outstanding student of French throughout her time at Whickham school.

ANNUAL PRIZEGIVING 2020
