

Year 13 Olympic Value Excellence

GRACE ATKINSON

Grace is an incredible student and she has scaled great heights in the last academic year. Grace sets huge demands on herself. She is an extremely talented artist and a superb English Language student but her biggest achievement this year was balancing these extremely challenging subject areas with her greatest passion of Drama. Grace excelled with her spectacular performance of 'Belle' in the school production as well as performing extremely time consuming, challenging and highly skilled drama roles outside of school. Grace had her moments of self-doubt but demonstrated great resilience and her final grades of A*A* A and Distinction* are testament to her amazing talent and work ethic
