

# Year 13 Inspiration Award

ELLA  
HODGSON

Ella Hodgson has been a true inspiration throughout her time in Sixth Form. Coming into Sixth Form with GCSE results amongst the best in the UK Ella achieved an A\* grade in four of the most challenging A level subjects and also in her Extended Project Qualification. However, while Ella deserves huge credit for her incredible academic achievement, what further impressed me is how continually supportive to others she has been throughout the academic year. As Head Girl Ella has been a tremendous ambassador to Whickham School and the work she did voluntarily on the Year 13 yearbook after school closure guaranteed that her year group would receive a lifetime memento.
