

Whickham School and Sports College

Admissions policy (For September 2022 admission)

ADMISSIONS POLICY

Introduction

We, at Whickham School and Sports College, allocate places at our school using Gateshead LA's Community Secondary Schools Admissions Policy. We consult the Governing Body each year about this policy and we arrange the admissions to the school using the co-ordinated admission scheme. We also use this policy and scheme when deciding the allocation of places for In Year transfer/casual admissions to the school.

The admission policy is as follows:

- Whickham School and Sports College will admit pupils between the ages of 11 and 19.
- We will accept pupils up to the school's agreed planned admission number for the year unless we feel there are lawful grounds not to do so.

Oversubscription Criteria

We will consider applications from parents who have named the school as any ranked preference on their application form this is called the equal preference system. If there are more applications for the number of places available at the school we will then allocate places by using the following order of priority:

- (1) Children in Public Care (as defined under Section 22 of the Children Act 1989) including a child who was previously "looked after" but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order (see definition*).
- (2) Children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted.
- (3) Children who live in the school's catchment area.
- (4) Children who will have a brother or sister at the secondary school during the coming academic year.
- (5) Other children who have exceptional medical and social grounds see point 1 below
- (6) All other children.

(*see definitions of our criteria in priority 1 and 3 above in our parent's information booklet and at www.gateshead.gov.uk/article/2780/School-admissions)

Point 1- We can consider individual applications in cases involving exceptional medical or social needs. This kind of application must be supported in writing from relevant registered health professionals i.e. a doctor or social worker. The evidence must demonstrate why the chosen school is the most suitable and what difficulties would be caused if the child were to attend another school. We will not consider such applications if the relevant evidence is not provided. If provided the evidence will be assessed by the LA Admission Panel. No assumption should be made that submission of the relevant evidence will, in itself, be sufficient to allocate a place.

Tie breaker

If within any of the above criteria there are more applicants than places available priority will be given to those children based on the distance they live from the school, measured 'as the crow flies' in a straight line from the centre of the home residence to the school's main entrance. Children living nearest to the school will have priority. Distance is measured using a geographical information system (GIS). Where two or more applicants share the same distance, a random allocation process will be used to determine the ranked order of the applications in question.

Sibling link

For your child to receive priority because of an older brother or sister in the sixth form at the school, the brother or sister must have been at the school at the start of Year 11.

Address

For the purposes of deciding whether a child lives in the catchment area of a school we will use the parent or guardians address or the address of a relevant adult who has parental responsibility, as defined under the 1989 Children Act, for the child.

Catchment areas

The catchment areas of primary and junior schools in Gateshead form the combined catchment area for the Gateshead secondary schools. We recommend you find out what catchment area you live in prior to completing your application form. School catchment maps are available to view on the council's website www.gateshead.gov.uk/article/2780/School-admissions

We do not operate any school 'feeder' arrangements. There is no guarantee of a place as a result of attending one of our linked primary or junior schools, you must ensure that you apply for a place at Whickham School.

In-Year Applications

An application can be made for a place for a child at any time outside the admission round please view the information on the council's website www.gateshead.gov.uk/article/2780/School-admissions

Waiting list

If places become available we will consider all relevant applications using a waiting list. The waiting list will be maintained by the council from the start of the academic year and be kept for the rest of the academic year. All applicants on the waiting list are placed according to the admission criteria and priorities. However, children who are the subject of a direction to admit by the LA or who have been referred for admission and have been allocated a place through the Fair Access Protocol will take precedence over any child on the waiting list.

From **10th September 2021** Gateshead residents can apply on-line at:
