## Dear (pupil name)

I am happy to inform you that you have been placed in tutor group xxxx. Your tutor is the only teacher that you will see every day, every week of every term. You will get to know them very well and they will be the main member of staff for you to speak to for help, support or to ask any questions. We do not place you into tutor groups based on friendship groups, but we take great care and consideration to ensure each tutor group has a balance of students. We are an oversubscribed school so all tutor groups are full. This means, we are unable to move students around and change tutor groups. Whickham School is a chance for you to have new beginnings. You will meet new staff and students and you will make lifelong friends here.

Enclosed in this envelope is the following:

- 1. **Class Charts login details** this app is used to give you feedback, set homework and set after school support.
- 2. **Parent pay login details** this is our online payment service for cashless payments for your dinner money, school trips and other items you may need to pay for whilst at Whickham School.
