

Hi there,

My name is Mrs Pringle, and I will be your form tutor when you join in September. Like you, I will be new to Whickham School, although I am sure you are just as excited as me to join such a fantastic and welcoming school.

I live with my Husband, two children and two guinea pigs, in Newcastle. My daughter is also starting a new school in Year 7, so I completely understand that you may be both nervous and excited. I will be very happy to support you during the transition and help you to become the best you can be in your new school.

Outside school, I enjoy travelling, running, reading, visiting the beach, and playing sports with my children.

I'm a business and economics teacher, with this year being my first in teaching. I have recently completed the PGCE at Newcastle University and found this to be both fascinating and extremely enjoyable. Prior to teaching, I was a solicitor for a number of years, so if anyone has any aspirations to work in law or business (or anything else!) I will be happy to help with this.

I hope you have an amazing summer. I am very much looking forward to meeting you all in September and hearing about your adventures.

*Mrs Pringle*
