

Mr Davison

7MDN

Hi All,

My name is Mr Davison and I am a PE teacher at Whickham School and I'll be your Tutor when you start Whickham School in September.

I have been a teacher at Whickham School for 14 years now, and my old tutor group has just left Year 11, so I am looking forward to the challenge of having a brand new Year 7 group.

As a PE teacher you will probably guess that my main passion is sport, and I enjoy teaching, watching and taking part in all sports (apart from anything to do with Horses as I am allergic!!)

I also have 3 children who are mad about sport as well, and my spare time is usually spent watching them take part in Football, Swimming, Cricket, Tennis, Cheerleading and many many more activities.

I hope that you enjoy your remaining time at Primary School and have a great summer holiday. I look forward to hearing all the stories about what you got up to, when I see you in September.

I know moving to Secondary School is a big change, and you might feel a little nervous, but trust me you have nothing to worry about and I will be working hard to make sure you will all love your time at Whickham School.

I look forward to seeing you all soon!

Mr Davison
