

Miss Jackman

7SJN

Hey everyone!

My name is Miss Jackman. I'll be your form tutor when you start at Whickham School. If you're nervous about starting a new school, don't worry, it's my first year at Whickham School too. Let's all work together to support each other and enjoy the time spent at school. I'm incredibly excited to meet you all and I know we'll be able to do great things in such a loving community.

If you'd like to know more about me I am a maths teacher, and I really, really love maths. Be prepared for math activities during tutor time. If you don't love maths yet, I'll try and convince you otherwise. I am a very chatty person, but I'm also a fantastic listener. Please come to me with your achievements, amazing stories or any problems you might have. I want to celebrate your achievements and support you through tough times, so we can all enjoy our time in education.

Outside of school, I enjoy reading, playing video games, hiking and Muay Thai... not necessarily in that order. I can't wait to hear what interests you guys and what subjects you love.

Let's look forward to our new adventure in September. I hope you share my excitement for a new start.

See you all soon,

Miss Jackman
