# Questions

- What are the influences of historical factors?
- What are the influences of cultural factors?
- What are the influences of economic factors?
- What are the influences of political factors?
- What are the influences of technological factors?
- What are the influences of social factors?
- What are the influences of geographical factors?
- What influences were there from others?

# Research Prompts

- The influence of historical factors, to include:
  - key events, epoch or major shifts and changes in society
  - practitioner's personal history and experience.
- The influence of cultural factors, to include:
  - traditions and practices within the arts, community or religion
  - other art forms, cultural trends and styles.
- The influence of economic factors, to include:
  - reactions to or statements about the impact of economic factors on people
  - funding conditions for performing arts or the financial status of the practitioner.
- The influence of political factors, to include:
  - relationship to establishment, supporting or undermining
  - laws, propaganda, legal rights, censorship, equality and diversity.
- The influence of technological factors, to include:
  - latest developments in technology and opportunities for the use of technology in productions
  - any type of impact of technology on people, behaviour or society.
- The influence of social factors, to include:
  - values, morals, social conventions and audience expectations
  - changes in social attitudes, media influences and external pressures, issues of equality, diversity and representation.
- The influence of geographical and physical factors, to include:
  - relationship to the environment, geography or location
  - conventions and innovation in the use of space, venues and physical characteristics of spaces.
- The influence from others, to include:
  - the influence of their education from teachers, mentors or peers
  - collaboration with others or whether practitioners were part of a movement.
