Introduction

Following the issue of results, awarding bodies make post-results services available.

The JCQ post-results services currently available are detailed below.

Access to Scripts (ATS):

- Copies of scripts to support reviews of marking
- Copies of scripts to support teaching and learning

Reviews of Results (RoRs):

- Service 1 (Clerical re-check) - This is the only service that can be requested for objective tests (multiple choice tests)
- Service 2 (Review of marking)
- Priority Service 2 (Review of marking) - This service is only available for externally assessed components of GCE A-level specifications (an individual awarding body may also offer this priority service for other qualifications)
- Service 3 (Review of moderation) - This service is not available to an individual candidate

Appeals:

- The appeals process is available after receiving the outcome of a review of results

Purpose of the procedures

The purpose of these procedures is to confirm how Whickham School deals with candidates' requests for access to scripts, clerical re-checks, reviews of marking, reviews of moderation and appeals to the awarding bodies in compliance with JCQ regulations (GR 5.13).

Details of these procedures are made widely available and accessible to all candidates by issuing a candidate handbook and an email directing candidates to look at the school website in the autumn term prior to their exams and then a reminder email is sent at the end of the academic year.

The arrangements for post-results services

- Candidates must be made aware of the arrangements for post-results services prior to the issue of results (GR 5.13)
- A review of moderation cannot be undertaken upon the work of an individual candidate or the work of candidates not in the original sample (PRS 4.3)
- The appeals process is available after receiving the outcome of a review of results (PRS 5.1)

At Whickham School:

- Candidates are made aware of the arrangements for post-results services prior to the issue of results
- Candidates are also informed of the periods during which senior members of centre staff will be available/accessible immediately after the publication of results so that results may be discussed, and decisions made on the submission of reviews of marking (GR 5.13, PRS 4.1)

Candidates are made aware/informed by an email sent to all exam candidates before results days at the end of the academic year.

Full details of the post-results services, internal deadline(s) for requesting a service and the fees charged

(where applicable) are provided by the exams officer.

Dealing with requests

- All post-results service requests from internal candidates must be made through the centre (GR 5.13)

At Whickham School the process to request a service is by completing a Review of Marking form, available from the exams officer, and making payment through the On-Line Shop on the school website (not ParentPay), for a review of marking, or completing an Access to Script form to request scripts from the exam board..

Candidate consent

- Candidates must provide their written consent for clerical re-checks, reviews of marking and access to scripts services offered by the awarding bodies after the publication of examination results (GR 5.13)

Whickham School will:

- Acquire written candidate consent (accepting informed consent via candidate email) in all cases before a request for a clerical re-check, a review of marking or an access to scripts service is submitted to the awarding body
- Acquire informed candidate consent to confirm the candidate understands that the final subject grade and/or mark awarded following a clerical re-check or a review of marking, and any subsequent appeal, may be lower than, higher than, or the same as the result which was originally awarded
- Only collect candidate consent after the publication of results
- Retain consent forms or e-mails from candidates for at least six months following the outcome of a clerical re-check or review of marking or any subsequent appeal (PRS 4.2)
- Retain consent/permission forms or e-mails from candidates to request and use their scripts for at least six months (PRS 6.2)
